Jeffrey-

I hope this message finds you well. I am writing to follow-up on a draft you had helped Rep. Goyke put together in March. He would like to proceed with this with a few changes. He appreciated your attached memo on this. Rep. Goyke would like to change this from an amendment to a stand-alone bill and would like to change the amount to \$1 million. Could this be put into a draft? Thank you very much for all of your help and expertise. All the best to you.

Pam-

I hope you are having a good Friday. Yesterday afternoon I took the bill jackets of the 5 housing bills you have worked on for me and my staff member Ryan to the City of Milwaukee. They raised some good points and I have a few slight/small revisions that I wanted to make before introduction. I have left the bill jackets with Ryan and he is sending them over to you this afternoon.

- JTK
- 1.) LRB-2368/2 – HOME GR/OWN Bill - In the analysis it states the amount as \$2 million, but in the text of the bill it still lists it as \$5 million. Could this be changed so they both have the amount of \$2 million?
  - 2.) LRB-3431/1 – Entry Into Foreclosed Property Bill – Please remove the part of sub-section b under Section 2 that states the municipality may enter for code or ordinance violations. I am concerned that the City could enter and then write up many code violations on somebody already in the foreclosure process. My intent is for the city and others to only be able to shut the water off, power etc. If you have suggestions on wording please let me know.
    - Also, at the beginning of section 2 where it begins to state the entry of municipality, please also add language to include a utility company, both public and private. My intent here is to have permission as well to allow a worker for a utility company like WE Energies to go in and turn the power off if necessary, in addition to municipal staff.
    - Also, under Section 4, Notice from Clerk of Court, please include that they must also include the name of plaintiff and address of plaintiff as well. My intent here is for the municipality to know which company or lending institution they are working with and who could come to own the property should the foreclosure action be completed.
  - 3.) LRB-2774/1 – Security Lighting Bill - I wanted to ensure that someone who contracts to install the lighting and their workers are not civilly or criminally guilty of trespassing. I see section 5 in the draft grants immunity from liability but does not mention trespassing as the previous bill draft above does. Could this language also be inserted here to ensure they would not be in violation of trespass laws?

Thank you for making these last minute small changes. I know they may seem picky, but I felt these were reasonable changes to make. Please let me know if you have any questions!
